HOLY COW! CASHIERS DU CINEMART WEBSITE UPDATED!

It's been a long time in the making but I've finally gotten my act
together enough to get the CdC website updated. New songs on the
ImpossibleFunky Jukebox! New stories in the archives! New film
festival reports on the homepage (including CdC at the Toronto
International Film Festival!), and more! Visit:
<http://www.cashiersducinemart.com> ! More archival stories coming!

LETHAL FORCE PACKS A PUNCH TO THE GUT

I'm just getting resettled after my last trip to the Jewel of the East
Coast, Baltimore, MD, where I attended the fifth annual MicroCineFest,
the biggest little festival around. My favorite film there had to be
Alvin Ecarma's feature LETHAL FORCE, a quasi-parody of shoot-'em-up
action films of the late '90s. It mixes elements of films close to my
heart; everything from the bloody geysers of the KOZURE OKAMI films to
the latent homosexuality of the BETTER TOMORROW movies. This flick
has it all, including awards from both the audience and jury at
MicroCineFest. For more details, visit:

<http://www.lethalforcethemovie.com/> Make sure to catch this film if
it ever comes your way!

Thank you for your time! Keep looking for CdC #13 coming your way
Spring 2002!

Your pal,
Mike White
